

**MIAMI-DADE COUNTY PUBLIC SCHOOLS  
RECORD OF SCHOOL BUS EVACUATION DRILLS**

Rule 6A-3.0171(2) of the State Board of Education states: "School Principals (or their designees) shall direct school bus emergency evacuation drills during the first six (6) weeks of each semester and maintain documentation for all students." This form shall be used to document the required school bus emergency evacuation drills. Evacuation drill records shall be maintained at the school for the current school year plus the preceding three (3) school years.
