EXPECTED DATE OF RETURN: An anticipated date of return to school must be determined by the physician. If an undetermined date is indicated, the form will be returned to the physician and/or psychiatrist for an expected date of return. Returned forms will delay the consideration of a student's possible placement into the Homebound/Hospitalized Instructional Program. If, during treatment, the physician/psychiatrist needs to extend the expected date of return to school, the physician/psychiatrist may do so by submitting a new form which reflects the revised date of return. If the student can return to school prior to the expected date written below, a Physician's Release of Student Form will be required. The amended form or letter can be faxed to the Homebound/Hospitalized Instructional Program office, FAX number (305) 447-3761.
