

# SST/PST Tier 3 Student Progress Goal and Graph (Attach to Form 6290)

## Student Progress Goal:

(Student Name) \_\_\_\_\_ will improve his/her (area of intervention focus) \_\_\_\_\_ at a rate of \_\_\_\_\_ per week/month.

## Graph of Student Progress

### Include

*Tic Mark Scores:* Label Grid Lines with Appropriate Score Range and Define OPM Measure Used

*Standard:* Line that depicts Proficiency

*Aimline:* Regression line showing slope of OPM scores

*Student OPM Scores:* Individual points that represent student's OPM scores

*Line of Average Growth:* If average growth is known, create a line from the student's baseline score that shows progress at a rate equal to a year's growth in an instructional year's time.

*Trend Line (if calculated):* Using OPM data extend the connecting line between the two available points to the end of the year to project eventual progress.

(See recommended positive response rates at <http://rti.dadeschools.net>).
